

Attention Military Pilots

Easily obtain or renew FAA pilot/instructor certificates

Designated Pilot Examiner (DPE) Jim Pitman is currently scheduling virtual meetings to process your FAA certificate(s) based on military competence.

- No FIRC required for CFI renewals
- Meet with Jim online at your convenience (via Zoom)
- Everything is completed online and Jim emails you a PDF of your new certificate(s)

\$150 service charge (per certificate) covers document review and processing. Pay with debit/credit card, Venmo, or PayPal when you meet with Jim.

"Mr. Jim Pitman is the man and his 23+ years as a flight instructor is what you need. He will help you renew your CFI/CFII by way of military competency without having to physically go to the FSDO. The process he has setup is streamlined, secure, and very affordable. Save yourself the time, effort, energy, and complete the paperwork process with him in less than 15 minutes in the comfort of your own home without having to do an online FIRC."
